

SHELTER THANKS ALL WHO MADE SEASON POSSIBLE

Seated at a table of volunteers are Dee and Wally Coyle who were recently honored for their dedicated work in the Green Bay community.

Thanks to all who attended our end of the season Shelter Appreciation event on May 5, 2011. The social was a time for staff, guests, volunteers and supporters to gather to affirm all the good work done this winter season. Events like this are a wonderful reminder of the extraordinary people who are all part of our shelter community. Here's a few snapshots from this special event.

Staff members Barry, Rob and Mike give the season a "thumbs up"
